

MARIIA SOKOLOVA

Learning & Development Specialist / Instructional Designer

Sergiev Posad, Russia (open to remote work and relocation) | maria.b.sokolova@gmail.com | +7 977 571 43 70 | [LinkedIn: linkedin.com/in/maria-sokolova-349002230](https://www.linkedin.com/in/maria-sokolova-349002230) | [Portfolio: mbsokgt.github.io/mariia-sokolova-portfolio](https://mbsokgt.github.io/mariia-sokolova-portfolio)

Learning and development specialist with five years of experience, including two and a half years running L&D end to end for a B2B distributor: needs analysis, course design, production, and LMS administration. Built and maintain the training program for 350+ sales managers across Russia and the CIS. Background in ESL teaching, which shapes how I structure content for adult learners. English C1, native Russian.

CORE SKILLS

Instructional design (ADDIE) · E-learning development (iSpring Suite, SCORM) · LMS administration · Course and curriculum design · Learning analytics · Staff training and facilitation · Assessment design · MS PowerPoint, Canva

EXPERIENCE

Digital Learning Specialist, Complex Bar, Moscow, Russia

Dec 2023 – present

B2B distributor of glassware and bar equipment for the HoReCa industry (bars, restaurants, hotels).

- Built 35+ training assets (15 SCORM e-learning courses and 20 structured longreads) covering product knowledge (glassware, bar equipment, syrups, inventory) for 350+ sales managers across Russia and the CIS.
- Designed the certification system: knowledge tests, case studies, situational scenarios.
- Run the company LMS solo: uploading content, managing the course catalog, tracking completion and progress.
- Organize in-person and online training sessions for regional sales teams.
- Build training material in parallel with new product launches, so reps are ready by the time a new product line ships.
- Identified that sales reps had no single place to check new product info, then designed and built an internal reference site to solve it: planned the structure, wrote the content, built it with AI-assisted coding tools, and worked with IT on server deployment. Ran a focus group with managers to test it before rollout.

English Teacher, "YES" English Club, Peresvet, Russia

Sep 2021 – Jul 2023

- Designed learning programs for students aged 5 to 14.
- Taught regular lessons and ran extracurricular activities.
- Created teaching materials and learning games adapted to different levels.

English Teacher, School No. 1329, Moscow, Russia

Oct 2020 – Jun 2021

- Worked one-on-one with students: built individual learning paths, adapted materials, tracked progress.

English Teacher, Skyeng, Remote

Sep 2019 – Jan 2020

- Taught English online to students of different ages and levels; reviewed homework and tracked progress.

EDUCATION

Professional Graduate Certificate in Education (Teacher Development)

2022 – 2023

UCL Institute of Education, University of London, London, UK

BA (Hons), Education (English Language and Educational Technology)

2018 – 2023

Moscow Pedagogical State University, Moscow, Russia · GPA 4.9 / 5.0
